 FEDERAL

IMPACT: State

Summary of Legislation: This bill revises requirements for an applicant for a commercial driver training instructor's license. It provides that a Level 1 commercial driver training instructor's license authorizes an individual to provide the in-vehicle phase of driver education instruction. The bill provides that a Level 2 commercial driver training instructor's license authorizes an individual to provide the in-vehicle and classroom phases of driver education instruction.

The bill also provides that an individual holding a learner's permit who is less than 18 years of age must be accompanied by a guardian or relative of the driver at least 21 years of age and who holds a valid driver's license. The bill provides that an individual holding a learner's permit who is at least 18 years of age must be accompanied by an individual at least 21 years of age and who holds a valid driver's license. It also revises the definition of "instructor of an approved driver education course".

Effective Date: Upon passage; July 1, 2001.

Explanation of State Expenditures: The Bureau of Motor Vehicles will approve applicants as they do currently. This proposal should have no fiscal impact on the Bureau of Motor Vehicles.
